WHEN IT
COMES TO
INNOVATIVE
THINKING...

We're **anything** but Chicken.

In fact, innovation is critical to our success. We understand that smart foodservice operators want a steady supply of interesting new menu ideas to keep your customers coming back for more...and we deliver.

Our new-look line of specialty stuffed products offers a variety of whole muscle, fully cooked, and chopped and formed items. Add to it our complete line of breaded and fully cooked products, which includes our popular

ChickenFirst™ and boneless breast, and you've got chicken covered. All portion-controlled and at an exceptional price point.

Researching new product ideas. Improving service. Enhancing quality and productivity. To keep your customers completely satisfied and your bottom line well fed, choose Elmira Poultry products.

We have an endless appetite for finding new and different ways to serve chicken.
