WHEN
IT COMES
TO OUR
CHICKEN
PRODUCTS...

Quality is the **number one** ingredient.

Discriminating foodservice operators know that discriminating customers have an appetite for quality, so it makes dollars and sense to serve them naturally delicious whole muscle chicken products.

Elmira Poultry whole muscle chicken products are real menu makers. They come in a variety of tantalizing flavours, consistent portion sizes and quality that is unsurpassed.

Preparation is easy and presentation is thoroughly appealing. All at an exceptional price point.

And, because choice is another important ingredient at Elmira Poultry, we offer a complete line of quality chopped and formed products too.

Happy customers. Healthy returns. We prepare chicken to suit everyone's taste.
